

When Your Potato's Done

Louisiana Folk Song

1
Your baked po - ta - to's done, It's time to

3
eat it, It's time to eat. Your baked po-ta - to's

6
done, It's time to eat it, It's time to eat. *Fine*

9
Wheth-er it's baked just right, my Zu - zet - ta,
May - be it is too brown, my Zu - zet - ta,

11
Wheth-er it's sweet or white, my Zu-zet-ta, But-ter and eat it
May - be you'd like to frown, my Zu-zet-ta, But-ter and eat it

14
all, my la - dy, But-ter and eat each bite.
all, my la - dy, But-ter and eat it down.
