

# Let Us Give Thanks

Music & Lyrics by  
M. Ryan Taylor

Let us give thanks for the sim - ple things that part the clouds of strife, For the gifts we find that  
Let us give thanks for the work by which we win our dail - y bread, For the trials we face that  
Let us give thanks for the free - dom that we have to choose our track, For the li - ber - ty to

7  
flour - ish us — and grace our dail - y life; The earth, the rain, the sun, the tides and  
streng - en us — in hand, in heart and head, The might of limb that grows in stress to  
wan - der at — one's will and jour - ney back To homes pro - vi - ding shel - ter and the

12  
sea - sons we all view, Pro - vide the light, the dark, fresh air and springs that all re - new.  
car - ry ev - 'ry load, And rais - es up the cast - le as it does each mild a - bode.  
beam - ing Christ - mas tree, The rest and com - fort grant - ed in the warmth of fam - i - ly. —  
[shel - t'ring fam - 'ly]
